ATLANTS SOLAR POWERED TRAFFIC - WARNING LAMPS		
	<p>AIRCRAFT WARNING SOLAR LAMP</p> <p>ATL-WS5</p>	<p>Spec</p> <p>It is used in no city electric and voltage is not unstable of high building,electric power iron tower,broadcast TV tower,microwave communication tower,high chimney,big bridge tower, reconnoitre well place,shipping navigation and airstrip etc location where are requested to guard against sudden,it is a sign flash lamp.</p> <p>1. Solar panel: monocrystalline silicon cells 5W 2. Free maintenance solar battery: 12V/7AH 3. Super brightness LED(Color: Red,Green or White) 4. Blinking frequency: 20~60/m(adjusted) 5. light sensitive: 50LX~400LX(adjusted) 6. fully charged, more than 15 overcast&rainy days for working continuously 7. Efficient Vision Distance: more than 5000m Size: 460 x 350 mm (heigh x wide) including solar panel . Support bad weather conditions, rain etc..</p>
	<p>Solar-Powered Arrow Board Trailer</p> <p>ATL-SPAB1A</p>	<p>Screen size:2400x1200x75mm Integer size: 2320x2400x2770mm Number of LED bulbs: 25 Diameter of Lampshade:140mm Use :High way construction</p> <p>Spec :</p> <p>(1)Solar panel power:30W Service life:25 years (2) Free maintenance solar battery: 12V/100AH Service life:+4 years (3)LED service life:100,000h , LED color : Amber (4) Visibility distance:1000m (5)Flash frequency: 24±2/min (6)working without solar charging : over 240h (7)Red/blue flash alerting on the right & left top (8) Wire/remote double control</p>
	<p>Solar-Powered Arrow Board Trailer</p> <p>ATL-SPAB1B</p>	<p>Screen size: 1640x750x50mm Integer size: 2320x1640x2770mm Number of LED bulbs: 25 Diameter of Lampshade:100mm Use :High way construction</p> <p>Spec :</p> <p>(1)Solar panel power:30W Service life:25 years (2) Free maintenance solar battery: 12V/100AH Service life:+4 years (3)LED service life:100,000h , LED color : amber (4) Visibility distance:1000m (5)Flash frequency: 24±2/min (6)working without solar charging : over 240h (7)Red/blue flash alerting on the right & left top (8) Wire/remote double control</p>
	<p>Wheeled Solar-Powered Arrow Board</p> <p>ATL-SPAB2A</p>	<p>Screen Size : 1200x600x50mm</p> <p>Integer Size: 1200x1200x1635mm Number of LED Bulbs: 15 Diameter of Lamp Shade:85mm Use: City road construction</p> <p>Spec :</p> <p>(1)Solar panel power:20W Service life:25 years (2) Free maintenance solar battery: 12V/65AH Service life:+4 years (3)LED service life:100,000h , LED color : amber (4) Visibility distance:1000m (5)Flash frequency: 24±2/min (6)working without solar charging : over 240h (7)Red/blue flash alerting on the right & left top (8) Wire/remote double control</p>
